Subject:	My weekend

Hi Julia!

How are you? Did you have a good holiday in California last month? How was the plane journey? Can you send me some of your photos so I can see them?

I had a really good weekend. My brother Sam and I went to my cousin's house in London. We went on the train on Friday evening and arrived at six o'clock. My aunt and uncle cooked a big dinner for us, and then we all went bowling. It was my first time, so I wasn't very good and I didn't win, but it was good fun. On Saturday, we went shopping in Oxford Street. My uncle drove us there in his car. I bought some new summer clothes and my brother bought a computer game (a football game, of course!). In the evening, we all went to a nice Italian restaurant. I had a pizza and it was delicious. We went home on Sunday, but I wanted to stay in London – I like it there.

Mum's calling me, so I can't write any more. She wants to go for a walk. Write soon and tell me all about your holiday, and don't forget the photos!

Love,
Alison
