

# Toplama İşlemi

A visual addition problem using sad face emojis. On the left, three sad face emojis are arranged in a 2x2 grid with the bottom-right position empty. This is followed by a plus sign and one sad face emoji. To the right of the plus sign is an equals sign, followed by a 2x2 grid of four sad face emojis. Below the emojis, the numbers 3, 1, and 4 are placed in yellow boxes, separated by plus and equals signs.

$$3 + 1 = 4$$

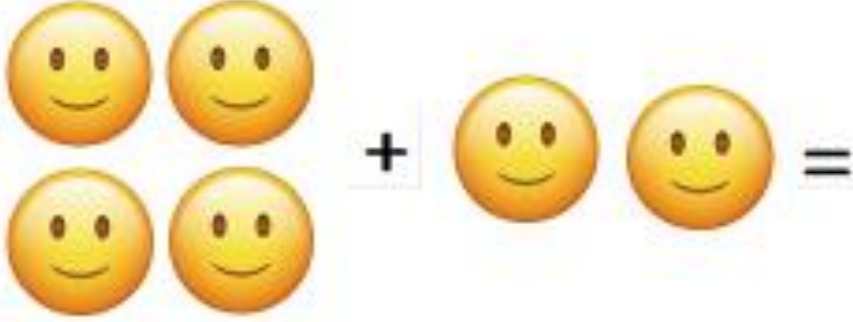

A visual addition problem using angel emojis. On the left, three angel emojis are arranged in a 2x2 grid with the bottom-right position empty. This is followed by a plus sign and two angel emojis. To the right of the plus sign is an equals sign. Below the emojis, three empty yellow boxes are placed, separated by plus and equals signs.

$$\square + \square = \square$$

A visual addition problem using star emojis. On the left, two star emojis are arranged in a 2x2 grid with the bottom-right position empty. This is followed by a plus sign and one star emoji. To the right of the plus sign is an equals sign. Below the emojis, three empty yellow boxes are placed, separated by plus and equals signs.

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$
